**Parents' Responsibility for Children:**

**Before and after LRE class time, parents are responsible to supervise their children and youth.** We urge parents to take note of where you children and youth are and with whom.

**Behavior/Safety Expectations:**

All children and youth are expected to behave with respect to each other, adults and their space. Any child or youth who is being disruptive or threatening the safety of others or of him/herself will be asked to stop the disruptive or unsafe behavior. If the child or youth will not, then the a parent will be called to remove the child or youth from the classroom or other area until the behavior can be amended. All efforts should be made by the DRE, volunteers and parents to help children and youth know what the expectations are.

**I have read and understand the above.**
